# OLHA OUTSTANDING ACHIEVEMENT AWARDS CATEGORIES:

## HISTORY OUTREACH AWARDS

History Outreach Awards recognize outstanding projects that have educational content, that have contributed to the promotion and understanding of local and state history, and that have had an impact on the community– in other words, projects that inspired, connected, and educated their audiences to local history. Explain why this project represents an exceptional achievement for YOUR organization making sure to demonstrate how it goes beyond normal expectations. The awards committee is pleased to consider online projects for any category of the History Outreach Awards. Nominations will be accepted for projects in the following categories:

### Public Programming

These include, but are not limited to, school programs, workshops, tours, and lectures. Programs will be judged on their historical and educational value and on their implementation. Please include in the award nomination materials a written description and photographs of the program. The judges will determine whether your public program is award-worthy based on your nomination materials.

### Media and Publications

This is a broad category that includes local and regional history publications in the form of books, brochures, websites, newsletters, calendars, and posters, among other formats. Nominations must demonstrate that the publication accomplished its goal, reached its intended audience, and stimulated a greater interest in history. Style, creativity, and content will be considered. Please include a copy of the publication in the nomination materials.

### Exhibits / Displays

Exhibits will be judged on the basis of historical significance, factual and contextual accuracy, organization, design and “look” of the exhibit, and understandable narrative. Please include in the nomination photographs and a physical description of the exhibit, brief excerpts from the exhibit script, and sample labels. Keep in mind that the judges will have to decide whether your exhibit is award-worthy based on these materials without having seen the exhibit in person.

### Support Material / History Outreach Awards

- For all projects nominated for History Outreach Awards, you must include:
- Detailed budget with itemized expenses. Nominations will not be considered without a budget using the format provided <https://tinyurl.com/OLHAawardBudget>.
- At least two different examples of publicity material, which may include but are not limited to: press releases, articles, social media and photographs of the project and public who participated in the event.
- At least two letters of support from people who can demonstrate how the project benefited the community. At least one must be from an outside entity (not from a representative of your organization).
- Brief narrative about the people involved in creating or implementing the project in which you explain their role in the project and their relationship to your organization (volunteer, paid staff, etc.).

## OHIO LOCAL HISTORY ALLIANCE CHAMPION AWARD

Do you know someone in your community who champions the advancement of local history? The Ohio Local History Alliance Champion Award recognizes individuals or groups who are not local historians or local history organizations for outstanding efforts in the support of and/or contributions to local history in Ohio. Nominees must demonstrate ongoing support for local history organizations and initiatives in Ohio; or exceptional service to local history in relation to one particular issue or initiative. Self-nominations will not be accepted.

### Support Material/Ohio Local History Alliance Champion Awards

Nominations must be accompanied by at least two letters of recommendation for the award, and, for publicity purposes, one or more color or black-and-white photographs of the nominee(s). As with the Individual Achievement Awards, support material is very important. The review panel needs as much material as possible to help them gain a clear understanding of the nominee's contributions to local history, such as news clippings, publicity, and documentation of advocacy actions.

## INDIVIDUAL ACHIEVEMENT AWARDS

Individual Achievement Awards recognize people who have made outstanding contributions to Ohio's historical societies or history museums or to the understanding and appreciation of state or local history. Self-nominations will not be accepted. Nominees must meet the following criteria:

- Be involved in a historical society, museum, or related organization for at least five years.
- Demonstrate activity and excellence in more than one area of the organization's operations.
- If involved in teaching, demonstrate creativity in teaching methods and expertise in local and state history.

### Support Material / Individual Achievement Awards

Nominations must be accompanied by at least two letters of recommendation for the award and, for publicity purposes, one or more color or black-and-white photograph of the nominee. Support material is very important. The review panel needs news clippings, activity information, lesson plans, publicity, and other material to help them gain a clear picture of the nominee's contributions to local history, historical organizations, or teaching.
